Stock Lot:

We buy overstocks, claims, rejects, customer and online returns.

These different types of stock are processed by our partners experienced sorting teams.

From our experience we sort the lots in to the best possible mixture.

After sorting, the goods will be packed in bales ready for sale.

Our Concept?

Our concept is customised for the respective contract partner, to guarantee the best possible marketing and sales optimisation in a controlled and safe way according to all agreed requirements.

The key topics that have an impact on the attainable prices for marketed goods are:

- Available amount of garments, shoes and accessories
- Number of released countries for the sale of delabeled articles
- Amount of countries where goods with labels can be marketed

Contex International and our Partners guarantee all Brands the maximum of security to resell all goods. Dependant on how many goods can be sold and in which countries sales are allowed.

Responsibility?

Contex International is committed to the highest level of responsibility toward its contractual partners.

- Through its transparent working methods
- In-house logistics
- Strict marketing only in licensed countries
- No online marketing
- No online advertising
- Certificate of delivery
- Certificate of partnership
- Control of the goods by internal employees in the respective countries
- Fast response in the countries with restrictions or misconduct on the part of retailers
- Buy-back option
- Real brand protection
- Monthly or quarterly reports
